We find favor in their sight. Every proposal lands on the right desk at the right time. Doors that

were closed are now open. Budgets are released. Checks are signed. Resources are transferred from the hands of the willing into the work of the Kingdom.

No cost goes uncovered. Every need is met through the generosity of those Heaven has already ordained to partner with DreamNation. Sponsors are blessed for their giving, and their investment returns to them pressed down, shaken together, and running over.
